# 1 Trick For a Tiny Belly: Reporter Loses Her "Belly" Using 1 Easy Tip

[Acai Berry](#): Fox35  
Special Report

AS SEEN ON:

**Julia** investigates the  
[Acai Berry](#) diet to find out  
for herself if this super  
diet works.

An exotic new superfruit called '[Acai Berry](#)' has quickly become the hottest new way to lose weight, much more so than the traditional [Acai Berry](#) which offers little to no weight loss. The Acai Super Fruit that you take as a supplement to lose weight, has been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at News 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better

way to find out the truth than to conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a bottle of the [Acai Lipo](#). While there are tons of Acai berry ads online, [Acai Lipo](#) is one of the most credible and trustworthy suppliers on the market. It included the free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [Acai Lipo](#) is because it is the most concentrated and purest acai products on the market. This would give me the most accurate results for my test.

**Here is what Acai Lipo claimed on their website...**

- Accelerates Fat Loss
- 4 Times More Weight Loss Than Diet And Exercise
- Boosts Energy
- Rich in Antioxidants

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining [acai berry](#) with colon cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [Acai Berry](#) encourages weight loss and increases energy, the colon cleanse helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [Max Cleanse Pro](#) to test.

**Here is what Max Cleanse Pro claimed on their website...**

- Helps Eliminate Bad Toxins that have Built Up Over the Years
- Removes 'Sludge' from the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps to Regulate the Metabolism

Studies show Acai Berry  
dissolves an average of 12.3  
pounds of fat every 28 days

Julia Miller, our Health and Diet columnist, recently put the [Acai Diet](#) to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Colon Cleanse, she has reached the conclusion to what this diet is all about, and the results were surprising.

**She lost 25lbs in 4 weeks.**

The benefits of the Acai berry diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Julia sleep better and to wakeup more rested.

**Step 1:**

And the Max Cleanse Pro, like the [Acai Berry](#), had a free trial with a 100% satisfaction guarantee and had no hidden offers.

### Putting Acai to the Test

Both the [Acai Lipo](#) and [Max Cleanse Pro](#) arrived within 4 days of having placed my order online for the free trials.

The bottles I received held a month's worth of pills which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

### My Test

#### 4 Week Acai Berry Diet: Acai Lipo + Max Cleanse Pro

- [Take one Acai Lipo pill per day](#)
- [Take one Max Cleanse Pro pill per day](#)

[Weather Forecast](#) | [Weather Maps](#) | [Weather Radar](#)

### My Results

#### Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the [Acai Berry](#) which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

#### Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

#### Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the Acai Lipo and Max Cleanse Pro diet my energy levels don't dip, but remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!

#### Week Four

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the [Acai Lipo](#) and Max Cleanse Pro diet! Actually everyone at News 6 is kicking themselves for not having volunteered to be the guinea pig. Using the Acai Lipo and Max Cleanse Pro in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added health benefits I will continue to use the products indefinitely!

**I couldn't be any happier with the results.**

**I Lost 25 lbs in 4 Weeks, No Special Diet, No Intense Exercise**

### » Weight Loss Tips

1. Set a goal. Identify your ideal weight and set up a plan to start reaching your goal.
2. Don't be afraid to ask for and get help. You're not going to lose weight alone. Tell your family. Get support.
3. Vitamins are good for you. The American diet lacks essential vitamins and minerals. Balance your health with the best supplements.
4. Walk the Walk. You burn calories when you walk, did you know that? Keep active and balance your diet with regular exercise.
5. Sleep it off. To be an efficient fat-burning machine, your body requires at least eight hours of sleep a night. If you think that you're doing yourself a favor by sleeping less, you're mistaken.

**Conclusion:** Like us, here at News 6, you might be a little doubtful about the effects of this diet, but you need to try it for yourself; the results are real. After conducting our own personal study we are pleased to see that people really are finding success with it (myself included :) ). And you have nothing to lose. Follow the links to the free trials I have provided and know that you are getting a quality product that works; no strings attached!

Good luck with your weight loss,

## New Penny Auction Site BigDeal Saves Consumers 95% Off Retail!

As part of a new series: "How to Save Big Bucks When Shopping Online"

**Johanna** investigates hot deals and shopping trends, like BigDeal and other penny auctions.

Surplus auction websites are a new phenomenon that is quickly spreading through North America and Europe (like you have probably already seen). They are all over the internet in blogs and success stories of people who have apparently bought expensive items at very little cost. However, we were very skeptical of whether or not these surplus auction sites were real, so we decided to put them to the test. What better way to find the truth than to conduct our own study?

I wanted to buy a **new HDTV**, so I was put in charge of the test.

First, I did a ton of research on the subject to find out which surplus auction site was the most trustworthy and ultimately would be best suited for my test. After hours and hours of research I came to the conclusion that **BigDeal** was best because of its wide variety of products and great reputation. The way these auction sites supposedly work is that you buy bids to bid against others in auctions. If you win, you get to purchase the item at a reduced price. **BigDeal had a new promotion**, for a limited time, they are giving out 20 bonus bids on signup. This created an ideal situation for me, giving me the bids necessary to thoroughly test the site. This promotion is to help spread the word about shopping with **BigDeal** and show people how much they can save with surplus auctions.

### Wondering How BigDeal Can Provide Such Deals?

**BigDeal** gets their items from warehouse closeouts, surplus auctions, and liquidation clearance auctions. This is how they can offer such low prices in comparison to retail outlets.

### What Do They Put Up For Auction?

I've seen everything from cars to phones, computers, laptops, TVs, cameras, stereo equipment and **pretty much anything you can think of**.

**Putting BigDeal to the Test**

After going through a simple registration process on [BigDeal](#), I got my bids and began to try and win items listed up for auction. Before registering, I was still a little confused about the whole process - but after registering everything became clear.

I began to bid on the item I was after, a 42" Panasonic LCD TV. Surprisingly, I won after a very short period of bidding. **It cost me only \$67.50 total for a \$899 HDTV!**

To make sure this wasn't a fluke, I decided to try again to see if I could win another item - again, to my surprise I won yet again - this time the savings were bigger! **I ended up spending \$163 for a \$1,199 MacBook Pro.** Very impressive, and I don't think stores can match such deals!

Shipping - after I won the products and paid for them - I received the items in only a few days. Within a short period I had my items in hand. Simply amazing.

**My Full Experience With BigDeal\***

**Week One**

Research on the surplus Auction system and how it works, and how you could legitimately get 95% off retail prices. You buy bids to bid against others in auctions. If you win, you get to purchase the item at a reduced price. I saw there were many users who won multiple auctions and knew with the right strategy that could be me.

**Week Two**

After finding that BigDeal was the most legitimate surplus auction site around, I decided to register with the promo code and claim my 20 bonus bids. I messed up on my first try, and didn't win the auction, but it didn't cost me much, so I continued to try to really find out if this system works.

I developed my system. I started to look for an auction that didn't have a lot of bidders. Typically these were the auctions taking place between 2am-5am EST.

**Week Three**

After some trial and error, I was able to win my first auction. After that, I decided I'd try again and see if it was possible to win more than once in a row. This possibility became a reality, and I won my second auction. After this, my bids were mostly spent, however I was VERY EXCITED to see my cheap items being shipped!

**Week Four**

I received my items, and they were in mint condition. Packaging was very good. I will never use a regular auction site again! I still can't believe I received these items for such a discounted price!

**I couldn't be any happier with the results**

A Step-By-Step Guide To BigDeal

Now that you know [BigDeal](#) can offer real savings, you may be wondering how exactly it works. Don't worry – we'll tell you everything you need to know! Here is our step-by-step guide to get you started:

Step 1:

Register as a user at [BigDeal](#) and get your bids.  
**Use promo "freebids" and receive an additional 20 free bids!**

Promo code expires on Friday, March 11, 2011.

Step 2:

Search the auctions until you find an item that appeals to you.

Step 3:

Start placing your bids.

Step 4:

When you win the auction, you'll be taken to the checkout where you can buy your item at a deep discount!

It's really that easy!

Conclusion

Overall, I had a very positive experience with [BigDeal](#), which was very surprising to me. What once seemed impossible has now turned into a reality, a possibility to get 95% off retail!

P.S. [BigDeal](#) has agreed to keep the promo active for our readers for a short while longer. Get in on it while you can!

OMG thanks BigDeal! I actually got a discount on my iPad, when other people are literally camping outside the store downtown to get one!

Michelle says: 12:58 PM Wednesday, March 9, 2011  
What determines when an auction ends? It seems like the timer is reset back to 10 seconds as people continue to bid, then suddenly the auction is over and the item is SOLD even though people are still bidding, right!? So, at some point, does the auction just end regardless of whether bids are still be entered? Thanks.

John@BigDeal says: 1:54 PM Wednesday, March 9, 2011  
The timer is reset each time a person bids, therefore, an auction ends when no one else bids. It never ends when people are still bidding. We want everyone to have a fair chance.

Stephen says: 4:24 PM Wednesday, March 9, 2011  
Thanks for the info above. I registered and I'm bidding on an iPad. Hope I win!

John@BigDeal says:

Congratulations! I hope you win too!

Davis says: 6:05 PM Wednesday, March 9, 2011

will the items I purchase be unused or brand new? are refurbished or open box items allowed to be sold in the auction? Also, what is the return policy if the item is defective? Can it be returned to the manufacturer or back to the auction site?

John@BigDeal says: 7:17 PM Wednesday, March 9, 2011

All of our products are brand new and will not have been opened. If you get a defective item, definitely let us know upon receiving the package and we'll figure out a solution to the issue. You will typically either get a new product in its place, or will get your money back.

Amy says: 7:38 PM Wednesday, March 9, 2011

So what do I end up paying for my item? If I win an auction, what do I owe?

John@BigDeal says: 8:31 PM Wednesday, March 9, 2011

Winning the auction means that you owe the ending price and shipping of that product. You purchase the right to bid on any auction up front, before you even start the auction process.

Wanda says: 9:45 PM Wednesday, March 9, 2011

I love this site!!! I won a Macbook, iPod, and even a TV for under 200 bucks! This stuff normally costs over2 grand! Thanks for the help John!!!

### COMPARING BIGDEAL TO EBAY.

When online shopping first began, it was limited to major retailers and a few online stores. It remained this way for years until ebay came along and revolutionized the way people shopped online. Other than copycat sites, there have been no real advancements in the way people shop in the past few years. That was of course until penny auctions came along. Penny auctions are once again changing the way people shop online.

BigDeal works differently than traditional auctions sites.

I had a lot of different ones tell me what a scam BigDeal.com was, but I found that they were the most honest and considerate of auction sites in the market today. They always treated me with the utmost kindness at all times.

Myke J.  
I won a \$300.00 for less than \$13.00 the camera I won is the real deal and it is awesome. I also won 2 \$ 50.00 visa gift cards the following week. I won both off the bids I won. So it really didn't cost me a dime. I started playing a month ago and won too many times.

Tom G.

**Khalil H.**  
I have been using Big Deal since November 2009. I have racked up a number of wins with the most recent one being this Amazon Kindle I won for \$1.88 using only 35 bids. The retail value was \$229.99.

[Hoodia](#): Success Story

AS SEEN ON:

**Julia** investigates the [Hoodia](#) diet to find out for herself if this super diet works.

An exotic new weightless herb called '[Pure Hoodia](#)' has quickly become the hottest new way to lose weight, much more so than the traditional [Hoodia](#) which offers little to no weight loss. The Hoodia herb that you take as a supplement to lose weight, has been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at News 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better

way to find out the truth than to conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a bottle of the [Pure Hoodia Select](#). While there are ton's of Hoodia ads online, [Pure Hoodia Select](#) is one of the most credible and trustworthy suppliers on the market. It included the free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [Pure Hoodia Select](#) is because it is the most concentrated and purest hood product on the market. This would give me the most accurate results for my test.

## Here is what Pure Hoodia Select claimed on their website...

- Accelerates Fat Loss
- 4 Times More Weight Loss Than Diet And Exercise
- Boosts Energy
- Rich in Antioxidants

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining [hood](#) with colon cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [Pure Hoodia Select](#) encourages weight loss and increases energy, the Max Cleanse Pro helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [Max Cleanse Pro](#) to test.

## Here is what Max Cleanse Pro claimed on their website...

- Helps Eliminate Bad Toxins that have Built Up Over the Years
- Removes 'Sludge' from the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps to Regulate the Metabolism

Studies show [Pure Hoodia](#) dissolves an average of 12.3 pounds of fat every 28 days

Julia Miller, our Health and Diet columnist, recently put the [Hoodia Diet](#) to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Max Cleanse Pro, she has reached the conclusion to what this diet is all about, and the results were surprising.

### She lost 25lbs in 4 weeks.

The benefits of the Hoodia diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Julia sleep better and to wakeup more rested.

And the Max Cleanse Pro, like the [Hoodia](#), had a free trial with a 100% satisfaction guarantee and had no hidden offers.

### Putting Hoodia to the Test

Both the [Pure Hoodia Select](#) and [Max Cleanse Pro](#) arrived within 4 days of having placed my order online for the free trials.

The bottles I received held a month's worth of pills which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

- [Take one Pure Hoodia Select pill per day](#)
- [Take one Max Cleanse Pro pill per day](#)

[Weather Forecast](#) | [Weather Maps](#) | [Weather Radar](#)

### My Results

#### Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the [Hoodia](#) which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

#### Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

#### Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the Pure Hoodia Select and Max Cleanse Pro diet my energy levels don't dip, but remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!

#### Week Four

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the [Pure Hoodia Select](#) and Max Cleanse Pro diet! Actually everyone at News 6 is kicking themselves for not having volunteered to be the guinea pig. Using the Pure Hoodia Select and Max Cleanse Pro in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added health benefits I will continue to use the products indefinitely!

**I couldn't be any happier with the results.**

**I Lost 25 lbs in 4 Weeks, No Special Diet, No Intense Exercise**

#### » Weight Loss Tips

1. Set a goal. Identify your ideal weight and set up a plan to start reaching your goal.
2. Don't be afraid to ask for and get help. You're not going to lose weight alone. Tell you family. Get support.
3. Vitamins are good for you. The American diet lacks essential vitamins and minerals. Balance your health with the best supplements.
4. Walk the Walk. You burn calories when you walk, did you know that? Keep active and balance your diet with regular exercise.
5. Sleep it off. To be an efficient fat-burning machine, your body requires at least eight hours of sleep a night. If you think that you're doing yourself a favor by sleeping less, you're mistaken.

**Conclusion:** Like us, here at News 6, you might be a little doubtful about the effects of this diet, but you need to try it for yourself; the results are real. After conducting our own personal study we are pleased to see that people really are finding success with it (myself included :) ). And you have nothing to lose. Follow the links to the free trials I have provided and know that you are getting a quality product that works; no strings attached!

Good luck with your weight loss,

## What Is Hoodia?

Hoodia is a succulent herb that looks similar to a cactus. It has been described as a somewhat bitter-tasting cucumber that thrives in extremely hot, dry weather and takes 5-7 years to reach maturity. Hoodia grows in the Kalahari Desert region of South Africa, as well as the countries of Botswana, Namibia and Angola. It is said that for generations the San Bushmen natives have extracted the nectar of Hoodia prior to consumption as a way to curb their hunger and thirst during nomadic hunting trips.

## Feeling Hungry All The Time? Control Your Appetite...

Hoodia is a powerful and safe appetite suppressant. For most users, Hoodia substantially reduces the amount of food they eat each day. Reducing the urge to over-eat can be a natural process thanks to Hoodia.

But it's not just a better diet that will help with losing weight. When taken in cohesion with exercise you'll realize results beyond your imagination. The combination of just 30 minutes a day of light exercise with Hoodia is an awesome duo. Calories that are not burned off turn to fat cells, therefore it is important that the body burns them off quickly otherwise they turn to fat.

Your body's natural processing of calories is powerfully supplemented with the energy production the herb exerts. Transcended through the ages and finally available to the more health conscious West, Hoodia, the all natural and truly safe way to drop pounds!

### 'The most effective weight loss supplement ever developed'

If you're looking for cheap, diluted down, sawdust trying to pass itself off as Hoodia then you're in the wrong place.

You can find hundreds of 'hoodia based products' but they will usually be as follows:

-  Hoodia NOT from the core of the plant
-  Hoodia Gordonii extract
-  Mixed with several other ingredients
-  Nothing but fillers with a hint of Hoodia
-  Extremely slow absorption of Hoodia leading to slow weight loss

Normally they are pretty cheap as well - simply because it's not the real stuff. Real hoodia extract is expensive to harvest and expensive to obtain.

### Money Back Guarantee

We take great pride in the quality of our products and want you to be pleased with your purchase. We believe in offering the very best value, quality and selection to our customers.

Relax and listen to the soothing sounds of gentle water, with subliminal suggestions by a skilled clinical hypnotherapist. These powerful messages will help your self-esteem and inspire you to continue on your path. You'll be re-formatting your subconscious mind to see your self slim again.

### Our Hoodia Is Completely Certified

With Pure Hoodia Select you can be assured you're getting the real, organic Hoodia extract. Our Hoodia is approved by the Western Cape Conservation Authority of South Africa, and is certified to be 100% authentic.

The U.S. Department of Agriculture issues the first. It is called Convention in International Trade of Endangered Species (C.I.T.E.S.) Certificate. This covers the U.S. inspection to ensure the product is clean of weeds and pests, and to verify that the product is, in fact, Hoodia Gordonii.

## Testimonials and Success Stories From Hoodia Users

I've only been taking Pure Hoodia Select for a few weeks and my friends are already asking me for my secret. Of course I tell them and I become their personal rockstar!

I've been looking for a natural way to slim down. I started with doing some exercise a few times a week which was slow to yield results. Then Hoodia Select came and I was on TURBO! Thx!

Wow! This PHS is ROCKIN' ME! I'm getting all kinds of additional perks other than simply slimming down. I feel altogether super-charged and more healthy. Unbelievable, almost.
